

A Note to all the girls out there

👁 56 ✓ 4 ★ 4

Chapter 1 by 🐱Alahna🐱

You are beautiful for who you are
Don't change who you are for anyone,
Just be yourself and enjoy life
Because it doesn't last forever.
I know times may get hard but you gotta hold on
To something, anything you can that you appreciate and hold close to your heart.
You gotta move on from that one ex
Or that one girl that just gets on your nerves
Think of the positive and don't be afraid of what anyone thinks
Never give up
Love yourself
Always.

I may not know who you are and I may never know who you are, but I just wanna say that everyone (this is for the boys to) is amazing and worth living for.

Chapter 2 by dragonsofyore

No matter what they say, life will go on. You will get back up, and back to fighting.

Chapter 3 by Anime_1033

No matter how bad things may get, things will turn around. One day. So don't give up hope.
